## HOW WILL EARNINGS AFFECT YOUR BENEFITS?

Social Security beneficiaries have many concerns when thinking about work and its impact on their benefits. It is often a long and arduous process to be awarded disability and many beneficiaries find that their resources are depleted during the application process.

Once they begin to receive Social Security Income or Social Security Disability Income, it can be hard to imagine the loss of that stability.

*We provide the information and research so VR and its clients can make informed choices. Call us today!*

### **Benefits Summary & Analysis**

A Benefits Summary and Analysis is a comprehensive, individualized, work related report that provides education on current benefits, the affect of earnings on benefits, and how to use relevant work incentives. All of which are designed to support a beneficiary in their return to work and ensure that they come out financially ahead. It always pays to work while receiving Social Security and the Benefits Summary and Analysis explains why.
